### Thank you one and all, for a wonderful evening

The recent evening of entertainment by Loosely Woven was a wonderful event and we are very grateful that you selected Grafton High School P&C to be the beneficiaries of the donations that night. During the evening we received over \$500 in donations, which has been added towards the purchase of new musical instruments.

We have had wonderful feedback from community members who thoroughly enjoyed the evening. We thank all the members from Sydney and the Clarence Valley for such a fabulous evening. We especially thank all those who travelled to Grafton from far and wide to present a fabulous evening of entertainment.

Yours sincerely,

Robyn Anderson  
Secretary
