So glad, that you're revealin' your

We'll be ecological, green as can be.
We'll be seen as caring, caring and sharing.
Just need repackaging, don't change the contents.
It's ecological, it makes perfect sense!

It's ecological, or that's how it seen!

... Just fake sincerity, eco, not ego!
It's ecological, so that's how we'll go!
