

Dear Wayne,

I just wanted to say how much I enjoyed the Loosely Woven concert on Friday night. Sonia has a magnificent voice. She is a joy to listen to.

Thank you for supporting Northern Beaches Interchange. I am sorry that more people did not come to the concert - it was not for want of inviting them - perhaps the Opening of the Olympics and the Manly/Storm match were perceived as being more important. Anyhow those who attended were treated to a great night's entertainment.

Thank you

Regards Kay Koenig
