Dear Wayne, Gial and Loosely Woven cast,

Thank you for the lively and entertaining performance you gave us last Sunday evening.  
It was just the tonic we needed to chase away the winter blues.

The music was stimulating and varied, quite different from the music of many groups where they just give their version of the hits we hear on the radio every day.

Congratulations on the background music provided for Dulcie's Haikus.  
It took them to a new dimension.

Thank you for a great performance and we shall look forward to seeing you again before Christmas.

Yours sincerely,  
*Your friends at Seaside*
