Hello Wayne,

I just had to let you know how much my husband and I enjoyed the concert by 'Loosley Woven' at St. Bart's last Sunday.

I especially enjoyed Sonia singing *You Send me* with the arrangement by Maria Dunn. *Blue Moon* in the middle had everyone around us singing along.

I guess it is our age but it was terrific! You should include more items of that kind in your future concerts.

Once again, well done - it was great! I will write to Blacktown Council and tell them how good it was as well.

Thanks again,

Sharyn Wicks,
Secretary.
