

Hi Everyone,

You are amazing. I could say so much but this is just a snippet of what I get from the concerts.

I LOVE being moved by the beautiful and funky, varied song choices, arrangements, the messages of the songs and the emotional connection to the songs.

It brings me so much JOY to see you all enjoying yourselves and to watch talented singers/musicians blossom into performers.

I LOVE that everyone brings their own colour to the bigger picture of Loosely Woven.

I LOVE watching you all live your passion. You inspire me.

Thank you so much for letting me "dance like no one is watching" to My Sweet Lord. I felt so free.

Take care,

Liz
