

10/5/10

Dear Wayne,

The generosity of Loosely Woven is so extraordinary. You really give me faith in human nature. Thank you so much. We will send it to Amnesty together with the \$585 from the Avalon Concert. I will transfer it straight into the Avalon Amnesty Group's A/c.

Our treasurer Joan Lawler is in hospital at the moment after surgery for liver cancer. It will be great news to cheer her up. I am so delighted to have something good to tell her. (You may not know Joan by name, but you know her - she is at all our concerts)
