Dear Wayne - L W raised \$675 for Amnesty with "The Living Years" at Avalon. That was a Great concert and Wonderful work. Thank Everyone from us. We are So grateful. Also got signatures for AIA's Write for Rights campaign, And ours go toward AIA's 1.3 million that have been Collected in Australia.

Thank you for the Happy Birthday. You were very kind in your Tribute, and I was very Embarrassed but my Daughters really enjoyed.

Dear Wayne and Gial and all of Loosely Women

**This year you have given a child a gift of hope.**

Nearly 1200 asylum seeker children are locked up in Australia's immigration detention system. Some children have come with their families, some are alone. Some are detained offshore; others are facing this fate. All are held indefinitely.

By saying 'no' to another mug, or new socks you have ensured that a child receives a gift.

Though many children don't celebrate Christmas, your gift is a symbol of hope, a small 'welcome' parcel that says to a child 'you have not been forgotten'.

Have a wonderful and happy Xmas and New Year with Festive greetings many wishes for happiness
