

Hi Wayne,

Thankyou for this newsletter and it has given me the chance to tell you what a thoroughly enjoyable concert The Living Years was.

I came to the Sunday matinee before Christmas and after not ever attending any kind of local theatre concert before I have to commend you and all the 'stars' who obviously had worked so hard to put together a show bursting with variety and talent.

Jeannette has been a dear friend of mine for many years and her rendition (though sounding biased from my point of view) of Walking in the Air was beautiful and not only that, the music accompanying her solo was quite mesmerising. My other absolute favourite was A Place in the Choir being the first time I have heard this song and I could have listened to this a few times over, the obvious joy and vigour in which the performers performed this song could not help but fill me and the whole audience with happiness and pleasure. Three Little Birds also was performed brilliantly bringing everyone together as one and looking around all I could see was a sea of smiling happy faces.

Thankyou again and as I am a new local to Allambie Heights I hope to come along again soon to enjoy what you and this community has to offer.

*Kind Regards,*

*Lynn Briden*
