Dear Wayne

On behalf of all the ladies on the Beecroft Committee, I would like to thank you and all of your musicians, for the great entertainment you gave us on Sunday at the Castle Pines Village.

Everyone attending the day was so thrilled with your music and skits and are all interested in seeing you all again., so we did pass around your flyers for "Razzle Dazzle", so expect to see some of our members at your future events.

Thank you again for a great afternoon, which helped us raise around \$2500.00 for the day.

Yours faithfully
