

20th March 2013

Morning, Wayne,

A very BIG THANK YOU for the wonderful concert on Saturday night, and for the DVD's and CD's. The visitors were still raving about the concert when they were leaving on Monday morning.

We were so lucky with the weather, for we took them to Watson Bay for a Fish'n'chips lunch on the wharf and a walk up to the Gap, (for those who could), then back to Garden Island for that wonderful 360 degree view over the city and afternoon tea. Some were able to walk down to the Quay from Wynyard, so saw a little more of the city.

On Sunday, after the combined service with the Hee Heyon folk and a "Pot-Luck" lunch, we took them to West Head and down through Bayview, before we headed back for MORE food - a picnic tea in the hall, for it had turned too chilly at Bayview.

Much as they liked all the outings, the highlight was your Concert.

So again, many, many thanks to you all.

Sincerely,

Val Weakley (St Andrews Uniting Church, South Turrumurra)
