Verse 1

19 **A** add drums/piano/guitar
S. 
When we were young we used to sing And we could feel the har-mo-ny
Mel. 

S. 
You'd sit there wai-ting in the wings How long have you been wai-ting to let your light shine

S. 
Ma-ny years have gone since then Seen us go our di-fferent ways

S. 
But now we sit here once a - gain

S. 
to - night we're go - nna sing out to - night our light will

(Stop & sustain)

50

S. shine

drums **B**

Chorus tutti

Mel.

This is the time__ and place__

57

S. *To bring out our me - mo-ries*

It's wri-tten on e - vry face

I can see

64

S. *__ it in you__ you can see__ it in me__*

In all the years__ we had

71

S. *__ As part of a fam - ly tree__*

We knew the good

78

S. *__ and bad*

I can see__ it in you__ you can see__ it in me__

Mel.

85

C Verse 2

S. *I know it's left__ its mark on you__*

I see the same

Mel.

92

S. *__ things in my-self__*

You know there's no-thing we can do__

we've been

99

S. *__ a long time wai-ting. but some-things ne-ver die. It's time to leave__ all that be -*

105

S. *hind__*

It's time to leave__ that ghost to rest__

V.S.

111

S. We can_ de - ny_ the ties that bind_ To - night we're go - nna

116

S. sing out_ to -- night our light will shine

Mel.

121 **D** chorus
