Dear Wayne,

At a recent meeting of the St David ' s Elders members expressed their appreciation of the excellent concerts which you, your fellow musicians and vocalists have given at St David's.

It is very much appreciated that we are able together donations after the concert which helps us to reach our yearly goal of \$2, 500 for our " Living Is Giving" project.

" Living is Giving " is part of a State wide Uniting Church social programme which we feel is very worth wile as it helps children , young and old adults and full-time Ministers in various practical ways in both city and country areas of N.S.W.

Your Concerts are always well attended and we thank you for this continued happy occasion.

Best wishes,

Yours sincerely,

Brenda Hawkins. Hon Secretary, St David"
