Dear Loosely Woven,

After a rather bleak winter, your visit was just what we needed to lift our spirits.

Just seeing you all dancing about in your gay costumes sent good vibes round the room.

We congratulate your instrumental group and we love anything of Greig's.

We all got pleasure from the extracts from the 'White Horse Inn' and 'Jesus Christ Superstar'. They took us back to our younger days.

Above all, Wayne, we enjoy the enthusiasm shown by your entire group. They make the music come alive.

Great pleasure came from the song about the Murrumbidgee and her daughter as we feel this is an Australian classic.

Thank you for a superb evening and we look forward to you coming again soon.
