Wayne Richmond
Musical Director
Loosely Woven

Dear Wayne

May I take this opportunity, on behalf of the volunteer Woolli members, to again extend our sincere appreciation for the generosity displayed by your 'Loosely Woven' troupe of musicians and singers. To give of one's time and expertise is becoming an increasing rare commodity. To have so many willing to donate this for other causes is heartening and much appreciated.

The funds that your concert generated will be used by the Unit to further ensure that its day-to-day marine rescue operations are carried out to the best of our ability.

Please extend our warm best wishes to the members of the troupe.

I have enclosed a Certificate of Appreciation which I hope will be able to be placed somewhere prominent for all to see.

Again our sincerest thanks.
