

# Philological Waltz (Tonga)

Oh it's hard to say, 'Hoolima Kittiluca Cheecheechee',  
But in Tonga that means 'No'.  
If I ever have the money  
'Tis to Tonga I shall go,  
For each lovely Tongan maiden there  
Will gladly make a date,  
And by the time she's said, 'Hoolima Kittiluca Cheecheechee',  
It is usually too late.
