

Hi Wayne

First, apologies for not writing to you earlier - been away for a couple of weeks.

But, I did want to say how much I enjoyed - and everyone enjoyed - the Canberra show. It was such infectious fun, and to see the pleasure on the faces of your group was really a blessing.

It makes me wish I lived in Sydney to see more of what LW does. (Mind you it would take wild horses to get me to live in Sydney again). I have been watching some of the YouTubes as compensation.

So, well done for harnessing such enormous talent and passion for performance.

Finally, we raised over \$500 for Leprosy Mission and Frontier Services - thank you for enabling us to make those gifts.

You hardly need any encouragement to keep up your work, but I do hope you will continue to bring enjoyment to Sydney and beyond for many years to come. And if you venture South again, Tuggeranong will be very pleased to host.

Thanks again
