27 February 2017

Dear Wayne,

On behalf of the Millthorpe and District Historical Society I am writing to thank you and all the members of Loosely Woven for a most enjoyable concert on Saturday afternoon.

We were very pleased with the support we received for this event and people, including yourself, were most generous in giving to the fund that we have ear-marked for continuing with the installation of sensors for our audio-visual displays.

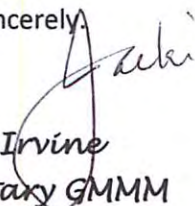

It was lovely to have many of the band come over to the museum for the BBQ which gave us all a lovely opportunity to interact and share more time together. We are very pleased that you and other members of the band, that assisted our fund raising in 2015 for the new Trevor Pascoe Pavilion, were able to see the new pavilion and its Australian Inventions displays. It has been proving to be a most popular section of our extensive museum and we hope that some of your band members will be able to revisit Millthorpe in the future and get to see more of the museum and village.

We have some photographs of the event on our Facebook page and know that many in the audience were delighted with the repertoire that you performed. It was a fun-filled afternoon and we could see that much of that fun was generated within the band and clearly transmitted to the audience.

Again, many thanks for all the work you put into these event Wayne. Your organisation made the event very successful for all and we trust that your new shows will be as filled with fun and as successful as the show we were privileged to see last Saturday.

All the very best for the rest of 2017.

Yours sincerely,

  
*Jacki Irvine*  
Secretary GMMM
