Hello Wayne,

I attended the performance a North Arm Cove yesterday with friends and wanted to say thank you but you had gone into the Weatherley Room (Library) and when I looked in, you were right at the back surrounded by other members of the group.

I just wanted to thank you for your wonderful performance and the kindness in performing for us, each of you giving your time and we couldn't fault it in any way.

We couldn't believe such talented people came to our part of the world with such a repertoire - from opera (all in 'alf an 'our!) to rock n' roll - how diverse is that.

Please put me on your mailing list - laponder@westnet.com.au

My friends and I will certainly look forward to another performance.

I know the hall at North Arm Cove as I belong to a Writing Group there although I live at Tea Gardens so if you're around our neck of the world again, we'll be there.

Our grateful thanks again to each and every one of you for giving us such a wonderful afternoon/early evening.

Sincerely,

Christina La Ponder.
