We ain't all equal (Khristian Mizzi - Arr. Wayne Richmond, 2019)

Love in the morning (Archie Roach - Arr. Maria Dunn, 2019)

Love in the morning, is the greatest gift of all
It makes my spirit sing, here in the afterglow.
I touch your body, and I touch your soul.
Hold me darling, till I grow old.

You've got a friend

(Carole King - Arr. Wayne Richmond & Samantha O'Brien, 2019)

You just call out my name,
And you know wherever I am,
I'll come runnin' to see you again.
Winter, Spring, Summer or Fall,
All you have to do is call,
And I'll be there . . . you've got a friend.

To the homeless and the hungry,

Confounds the Science

(W: Don Caron & Linda Gower M: Paul Simon
- parodyproject.com)

And the people bowed and prayed,
To the money god they made.
While the earth is flashing its warning,
About disaster that we are forming.
We argue back & forth
Over meaningless issues
That we fabricate, 'til it's too late.
And even then it confounds the science.

In spite of ourselves (John Prine - Arr: Wayne Richmond, 2019)

In spite of ourselves, we'll end up sitting on a rainbow,
Against all odds, honey, we're the big door prize.
We're gonna spite, our noses right off of our faces,
There won't be nothing but big old hearts dancing in our eyes.
