

Dear Wayne and L/W music makers -  
We are grateful to you for giving us  
another happy night of music.  
We collected \$530 for Amnesty which  
is great for a smaller-than-usual  
audience. (It will be good to get  
back to 4 p.m. next time.)

Thank you so much for your  
generosity. (I chose this card because  
of the Burma disasters - we will be campaigning  
for them in the coming weeks!)  
I hope you got my phone message about 16/12 for xmas  
concert being OK, Wayne. Is it all right for me  
to mention it on the AI website? Love to all  
Kath

Your music is Language which unite people (Richard)

As always Wayne, we are greatly indebted to you
