Hi Wayne,

We all had a wonderful night on Friday. The show was totally original and much admired by all. Great balance of 'real music' and good fun so the 2 hours flew by. It must be a huge job organising the gigs - 22 very diverse people all arriving for the show with so much gear. The organisation must be a show in itself.

\$650 was raised for the Spastic Centre and Mrs Cowan is very happy.

If you see Pia before I do tell her I have the perfect coffee place when she calls me.

All the best to you and yours,
