Dear Wayne,

On behalf of Eastwood Uniting Church, may I thank you and Loosely Woven for the magnificent concert "Summertime" that you so generously performed for us last Friday evening. I know that from the comments I received it was thoroughly enjoyed by all who attended. I was a bit disappointed with the numbers, however it is a time of the year where there were a lot of other functions on at the same time.

Would you please pass on my thanks to all the members of Loosely Woven. You all give up so much of your time to entertain others.

As I mentioned at the end of the concert, donations raised over \$400 which is going to help support our Fresh Water project in PNG.

I hope that we are able to host another Loosely Woven concert in 2012.

Best wishes for Christmas and the New Year to you all.

Regards

Robert Dive
